

REMARKS

This Amendment After Notice of Allowance under 37 CFR §1.312 is filed in response to the telephone interview with Examiner Fletcher conducted on 14 August 2008 and summarized in the Communication mailed on August 21, 2008. In that interview, the Examiner requested that the contents of Table 1 be deleted and provided as a new Figure to facilitate publication of the granted patent.

Accordingly, the contents of Table 1 are provided herewith as new Figures 8A-8Q. These figures introduce no new matter, but find support in Table 1 of the application as originally filed.

In addition references in the specification to "Table 1" are amended to refer to Figures 8A-8Q.

Applicants believe these amendments comply with Examiner Fletcher's request and put the application in good condition for publication.

If a telephone conference would expedite prosecution of this application, the Examiner is invited to telephone the undersigned at (510) 267-4161.
